EVENTS & PROGRAMS

POST - SECONDARY FAIR OCTOBER 23, 2019

This year's Post-Secondary Fair will take place at Chinook High School from 6:00-8:30pm. Career Transitions' Post-Secondary Fair is the BIGGEST fair in the SW Region and will be showcasing a wide variety of post-secondary institutions.

CARDBOARD BOAT RACE NOVEMBER 14, 2019

One of our most fun events is open to **both** middle & high school students. In teams, students put their math & science skills to work by building a cardboard boat that can hold their weight and win in a race!

LET'S TALK SCIENCE: CLIMATE CHANGE SYMPOSIUM NOVEMBER 14, 2019

This event is open to **both** middle & high school students. Hosted by Let's Talk Science at the University of Lethbridge. The Climate Change Symposium will immerse students in the world of science and explore ways in which climate change is being tackled.

EPIC (Exploring Possible Industries & Careers) FEBRUARY 12, 2020

Open to students in Grades 10 - 12, EPIC is an interactive, hands-on career exploration event. We showcase occupations in Environment & Agriculture, Health, STEM (Science, Technology, Engineering & Math) and Trades.

INTRODUCTION TO IRONWORKING APRIL 20, 2020 - JUNE 26, 2020

This 10 week, full-time, industry standard training program is available to Grade 11 & 12 students. Skilled professionals from Ironworkers Local 725 offer hands on experience in the trade along with several safety tickets.

ON HOLD

Additional funding needed

JOB SHADOW

The Job Shadow Program is available to students in Grades 11 & 12. Students can explore any occupation of their choosing! A typical placement is a 1/2 day to 1 day in length and takes place during school hours.

EXPLORATION DAYS

In a group of their peers, students in Grades 10-12, can spend a day exploring a specific career pathway. Multiple professionals will share their insights, experiences, and answer any questions that students may have. Check out our website to see our list of career pathways!

SKILLS DISCOVERY DAY

Open to students in Grades 10 - 12, this event provides an informal introduction to the Skills Canada Competition. Students will be able to try their hand at 3 different competition areas.

CANSTRUCTION

This event is open to **both** middle & high school students. Students work with a team to build a structure entirely out of cans. Students put their math, science, design, and fundraising skills to the test. All cans are donated to your local food bank! **PLEASE NOTE CANstructionYQL will still be hosted on March 19, 2020. Contact the CT office to get the CANstructionYQL contact information.**

19TH ANNUAL SW REGIONAL SKILLS COMPETITION

Open to students in Grades 10 - 12, the Skills Canada competition is a national movement designed to promote career pathways related to Trades & Technologies. Students can compete in one of 13 different areas! **PLEASE NOTE if Career Transitions does get funding, this event will take place on Saturday, April 4, 2020.**
